### *Re: APEC and Preferential Rules of Origin—Stumbling Blocks for Liberalization of Trade?*

By William E. JAMES

An error occurred in the publication of the above article in the June 1997 issue (Vol. 31, No. 3).

On p. 2 the acronym “CEPT” was explained as the “European Conference of Postal and Telecommunications Administrations”. In this instance CEPT is the acronym for “Common Effective Preferential Tariff”.
