

Subject Index

A

Aggregate Measurement of Support

- (AMS) calculations, 83

- policies exempts, 84–88

 - ‘amber box’ subsidies, 84–88

 - Annex 2 of AoA, 87–88

 - Article 6.2 of AoA, 84–86

 - Article 6.5 of AOA, 86–87

- policies included, 89

 - China’s support to agriculture, 95–97

 - Korea’s domestic support measures,
93–95

 - market price support, 91–93

 - Uruguay Round, 90–91

- WTO jurisprudence on MPS

 - criticism on MPS formula, 97–99

Agreement on Agriculture (AoA), 81–82

Agreement on Climate Change, Trade and Sustainability (ACCTS), 339

Agriculture sector, domestic support. See also Aggregate Measurement of Support (AMS)

- AoA policy exempts/inclusion, 84–99

- overview, 81–84

- Public Stockholding for Food Security
Purposes, 100–101

- WTO jurisprudence on MPS

 - analysis of, 97–99

 - calculation of, 97–98

 - China-agricultural producers, 95–97

 - Korea’s beef industry, 93–95

Anti-subsidy investigations, CAP

- additional measures, 767–769

- against Chinese imports, 756–758

- EU’s trade defence

 - instruments by EU, 754–755

 - policy, 755–756

- imports, 759

 - effective calculation method, 761

 - general problems, 762

 - public body, 760

 - transparency, 759–760

- procedure, 762

 - adjustments, 765

 - benchmarks, 765–767

 - section 15(b) CAP, 763

 - ‘special difficulties,’ 763–764

 - state-distorted markets, 755–756

Appellate Body (AB)

- approaches, 189–192

- creation of, 186–187

- disappearance of, 195

- Dispute Settlement Understanding
(DSU), 532

- overview, 185–186

- US ‘absent cogent reasons’ standard,
193–194

- US challenges, 195–197

Article XXI of GATT

- essential security interests, 653–654

- India-Pakistan trade, 658–659

 - emergency in international relations,
660–661

 - factual matrix, 659–660

 - ‘heightened tension/crisis’, 660–661

 - ‘necessary,’ 651–653

 - overview, 646–647

- security exception, 830–831

 - chapeau and subparagraphs, 834–836

 - re-politicizing, 836–841

 - WTO member’s discretion, 833–834

 - self-judging, 647–651

- 'taken in time of', 657–658
- war/other emergency in international relations, 655–657
- 'which it considers,' 647
- Association of Southeast Asian Nations (ASEAN), 503
- Australia-Tobacco Plain Packaging law
 - less trade restrictive measures, 245
 - objectives of, 244
 - panel reports, 242–243, 245
 - Article 2.2, 243
 - Article 20, 251–260
 - Article 16.1 of, 246–250
 - distinctiveness of trade mark, 249–250
 - EC-Trademarks and Geographical Indications, 248–249, 256
 - special requirement, 251–252
 - TPP measures, 244
 - trade marks perspective, 245–250
 - unjustifiable, 253–256
 - use of trade mark in Course of trade, 252–253
- trade restrictive test, 244–245
- TRIPS Agreement
 - Article 20, 251–260, 262–264
 - Articles 7 and 8 of, 262
 - private rights, 261–262
- WHO FCTC, 242–243
- World Trade Organization (WTO), 239–242

B

- Base Erosion and Profit Shifting (BEPS), 207
- Belt and Road Initiative (BRI), 105, 791–793
 - China's responses, 802–803
 - de-politicization of BRI implementation, 807–810
 - multilateralism, 806–807
 - open and clean BRI, 803–804

- sustainable development and green BRI, 804–806
- criticisms, concerns and misgivings
 - bilateralism, 798–799
 - Chinese governance model, 799–801
 - non-transparency, 797–798
 - unsustainability, 796–797
- infrastructure, 793
- international organizations, 795
- investment, 794–795
- New Maritime Silk Road, 793
- responding to concerns and criticisms, 801–802
- Silk Road Economic Belt, 793
- umbrella project, 793
