

INDEX TO VOLUME 26

- Abuse of dominant position
 - administrative monetary penalties, 388–390, 431–432
 - damage awards, 431
 - exclusionary practices, 151, 153, 155–159, 161
 - fines, 25–41, 47–51
 - intellectual property rights holder, by
 - early cases, 687–690, 694–694
 - essential facilities doctrine, 691, 702–704
 - IMS case, 690–694, 696, 703–705
 - property rights, and other forms of, 696–701
 - lenient treatment, 41–52
 - market power, 383, 389, 430
 - Microsoft case, 158–159, 161–162
 - monopolies *see* Monopolies
 - pricing *see* Pricing
 - private access, 430–431
 - tying practices, 158
- Air transport
 - airline alliances, 356–357
 - competition, 350–353, 355–359
 - EU Commission
 - competence, 339, 343–345
 - European Common Aviation Area, 349
 - GATS Annex on, 360–362
 - globalisation, 356
 - liberalisation, 335–337, 339, 350–351
 - open skies agreements
 - airport slots, 338, 340, 342
 - computer reservation systems, 338
 - nationality clauses, 336, 346–347
 - protectionism, 359
 - US open skies policy, 336–337
- Anti-dumping, 102–103, 106, 111, 117
- Antitrust agencies *see* National competition authorities
- Antitrust enforcement
 - compensation, 486–487
 - competition authorities *see* National competition authorities
 - competition authorities
 - harmonisation, 147–148, 214
 - information *see* Investigations
 - leniency notice, 578–580, 587
 - ne bis in idem* principle
 - double prosecutions, 143
 - economic perspective, 136–140
 - European Commission, 140–142, 144–146
 - forum shopping, 147–148, 452
 - multiple prosecutions, 146–148, 446, 451–452
 - objectives, 478–480
 - private-
 - damages, 475, 477–478, 482, 484, 486–488
 - optimal enforcement, 482
 - supplementary role of, 484–486
 - treble damages, 476–477, 481–482
 - voidness defense, 474–475
 - public-
 - general interest, 483, 485
 - investigative powers, 480, 568–574
 - private complaints, 476, 488
 - sanctions, 480–481
 - Regulation (EC) 1/2003, 131, 133, 144–148, 475–478, 480, 567–573
 - see also* Competition law
- Antitrust law
 - consumer welfare, 153, 156, 158, 167
 - openness of markets, 155–162
 - output limitation, 149–15, 153, 156, 158
 - protection of competitors, 163–164, 645
- Australia
 - blocking statutes, 447
 - export cartels, 442
- Block exemptions
 - patent licensing, 55–56
- Broadcasting licenses
 - antitrust review (EU)

- Broadcasting licenses, *cont.*
 market definition, 590–596
 remedies, 603
 substantive analysis, 596–601
 exclusivity, 590, 596, 603–604, 608
 new media rights, and, 604–607
 sports, 592–593, 597, 602, 605
- Canada
 abuse of dominance, 428–432
 merger policy
 consumers, 21
 efficiency standards, 5, 14–18, 20–24
 enforcement, 15
 public interest, 15–17, 19–20
 predatory pricing, 632–636, 644–648
- Cartels
 export, 116, 441–442, 460, 617
 fines, 25–41, 47–51, 438, 443
 hard core, 33, 42, 460, 486, 622
 lenient treatment, 41–52, 147, 441, 448, 459, 587
 market-sharing *see* Market-sharing arrangements
 price-fixing *see* Pricing
 retailer cartel hypothesis, 386, 425–426
 sanctions
 enforcement of, 444–447
 purpose of, 436–437
 type of, 437–441
 trade associations, 329, 442
