

## INDEX TO VOLUME 31

---

*Aalborg Portland v. Commission*, 177

Abuse of a dominant position

case law of the European Court  
of Justice, 103

collective dominance, 60

absence of competitive explanation, 537

concept includes tacit collusion, 530

connecting factors, 392-93, 395

definition by Court of First Instance,  
389-90

deterrence, 512-19

discussion paper (European  
Commission), 391-97

economic links, 390

effect-based approach/concept, 391,  
541, 548

efficiency defence, 543-46

evidentiary burden, 506

'exploitation' of, 395

future conduct, 512-20

inherent signs, manifestations and  
phenomena, 525

market foreclosure (effect), 543-44, 552

market transparency, 510, 532-35

legal test, 533

parallel pricing, 531, 534

pre-existing -, 523-40

*Airtours* criterion, 528-34

contested decision test, 534-35,  
538, 540

Council Regulation, 139/04, 526

Council Regulation, 4064/89, 526-27

counterfactual analysis, 527

CSCD test, 527

duality creation-strengthening, 527

game theoretic principles, 529

market structure v. firm's conduct,  
525, 536, 538

PCD test, 524, 538-40

SIEC test, 527-28

recorded music, 505, 531

retaliation, 506, 510

rule of reason test, 543, 546

standard test, 389

thresholds, 505

collusion, 291-93

credit unions, 262-63

definition of dominance, 385

dual pricing systems, 236

expert witnesses, 275

facilitating practices, 397

French Competition Council decisions,  
243-52

independent court experts, 275

India, 620-22

intellectual property rights, 516

intelligent or conscious parallelism, 387, 393

interconnection, 395

investigations, 515

liability, 396

individual, 397-99

joint, 397-99

margin squeezes, 403

oligopolistic dominance, 386

parallel trade, 235-57

patented drugs, 248

pharmaceutical companies, 249

pharmaceutical full-line wholesalers,  
247, 249

predation, 293-94

price discrimination, 415

recoupment, 293

refusal to licence, 117

refusal to supply, 515

'special responsibility' of the dominant  
company, 103

tying, 267, 515

unilateral abuse, 393

definition of, 394

vexatious litigation, 516

- Adriatica v. Commission*, 178, 195  
*Airtours/First Choice*, 59, 502-07, 520, 523-40  
*AKZO*, 515  
*Almelo*, 500  
*Altmark*, 423, 436-37, 443  
*Anic v. Commission*, 191, 199  
*Amicus curiae*, 108  
 Anatomical Therapeutic Classification
